

2207 Mid Western Highway Grenfell NSW

The Grenfell farms of Woodlands, Buckaroo, and Mayfair are offered for sale as part of the broader Caringbah Aggregation or as individual holdings, presenting a genuine opportunity to secure quality, well-developed cropping country in a tightly held Central West district.

Located within close proximity to Grenfell and key grain receival sites, the cluster forms the operational core of the aggregation, offering scale, strong road frontage and efficient paddock configuration. The properties are well suited as add-on country for existing operators or as standalone holdings, supported by fertile red loam to heavier brown clay soils, water and established infrastructure.
